

German for Preschoolers

Get a head start - and have fun!

If you have a preschooler ages 3 to 5, you are invited to join us for a fun morning of songs and games in a fun, immersive experience - entirely in German!

This engaging class is taught by an experienced language teacher from Germany! We offer a stimulating and absorbing environment that will have you singing on your way home!

Young minds are ideally suited to absorbing language - why not give German a try? Here are some of the things we do in this class: sing songs, read stories, play games, movement, drama and puppet shows. We also celebrate some of the major German holidays during the year. The class is offered on an 8-week rolling basis starting February 27.
